AND
NOTICE OF ANNUAL GENERAL MEETING**

1. INTRODUCTION

The purpose of this circular is to provide you with information regarding resolutions to be proposed at the AGM for (i) the re-election of Directors; (ii) the granting of the Issue Mandate; and (iii) the granting of the Repurchase Mandate.

This circular contains the explanatory statement and all other information reasonably necessary to enable the Shareholders to make informed decisions as to whether to vote for or against the resolutions to be proposed at the AGM together with the notice of the AGM.

* *for identification purposes only*

LETTER FROM THE BOARD

2. RE-ELECTION OF DIRECTORS

Mr. Zhou Xiaojun, Hon. Shek Lai Him Abraham (“**Hon. Shek**”) and Ms. Gao Min shall retire by rotation in accordance with Bye-law 99 of the Bye-laws respectively, and being eligible, offer themselves for re-election at the AGM.

Details of the Directors who are proposed to be re-elected at the AGM are set out in Appendix I to this circular.

Hon. Shek has been serving the Board since 2017 with good understanding on the Group’s diversified business interests across Hong Kong, the PRC, US and Europe. During his tenure of service to the Board, he had devoted sufficient time in fulfilling his role in the Company and gave independent opinions and views to the Board from time to time.

Hon. Shek currently holds more than seven directorships in other listed companies in Hong Kong. Pursuant to the code provision in paragraph A.5.5 of the Corporate Governance Code set out in Appendix 14 to the Listing Rules, the Board is satisfied with his positive contribution to the Company. Notwithstanding Hon. Shek’s commitment in other offices held in public companies or organizations and other significant commitments, he maintained high attendance rate throughout all these years since his appointment. The Company is of the view that Hon. Shek will continue to fulfill his role as required of an independent non-executive Director and still be able to devote sufficient time to the Board.

The nomination committee of the Company has assessed and reviewed the annual confirmation of independence of Hon. Shek and Ms. Gao Min based on the criteria set out in Rule 3.13 of the Listing Rules, and affirmed that each of them remain independent. The nomination committee also reviewed their respective skills, knowledge and experience having regard to the board diversity policy of the Company. It is considered that each of them has extensive experience and will continue to bring in valuable independent views and opinions to the Board. Therefore, the nomination committee has recommended them to the Board to stand for re-election at the AGM pursuant to the Bye-laws.

The nomination committee of the Company and the Board believe that the re-election of Hon. Shek and Ms. Gao as independent non-executive Directors at the AGM are in the interests of the Company and the Shareholders as a whole, and therefore recommend the Shareholders to re-elect them as Directors.

3. GENERAL MANDATES TO ISSUE NEW SHARES AND REPURCHASE SHARES

The existing general mandates granted to the Directors to issue and repurchase Shares will expire upon the conclusion of the AGM and, therefore, ordinary resolutions will be proposed at the AGM to grant to the Directors new general mandates:

- (i) to allot, issue and otherwise deal with new Shares not exceeding 20% of the total number of Shares in issue as at the date of passing the proposed resolution; and

LETTER FROM THE BOARD

- (ii) to repurchase Shares not exceeding 10% of the total number of Shares in issue as at the date of passing the proposed resolution,

and to authorise an extension of the limit of the Issue Mandate granted by adding thereto the number of Shares repurchased by the Company under the Repurchase Mandate.

The Issue Mandate and the Repurchase Mandate shall be effective until whichever is the earlier of:

- (b) the passing of an ordinary resolution by the Shareholders in general meeting revoking or varying the authority given to the Directors; and
- (c) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws of Bermuda or by the Bye-laws.

Subject to the passing of the proposed resolution approving the Issue Mandate and in accordance with the terms therein, on the basis of 6,990,651,992 existing Shares in issue and assuming that such number of issued Shares remains the same at the date of passing the proposed resolution, the Company could under the Issue Mandate allot, issue and deal with up to 1,398,130,398 new Shares, representing 20% of the total number of Shares in issue as at the date of passing the relevant resolution.

Details of the Issue Mandate are set out in Resolutions no.4 and 6 respectively in the notice of the AGM.

Repurchase Mandate

An explanatory statement as required under the Listing Rules to be sent to Shareholders with respect to the Repurchase Mandate is set out in Appendix II to this circular. The explanatory statement contains all information reasonably necessary to enable Shareholders to make an informed decision on whether to vote for or against the relevant resolution.

7. RECOMMENDATION

The Board is of the opinion that the proposed re-election of Directors, the proposed grant of the Issue Mandate and the Repurchase Mandate are in the best interests of the Company and the Shareholders as a whole and recommend the Shareholders to vote in favour of all the resolutions to be proposed at the AGM.

This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide the requisite information to the Shareholders for their consideration of the proposed resolutions in relation to the Repurchase Mandate.

1. LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The Listing Rules permit companies whose primary listing on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions. The Company is empowered by its memorandum of association and the Bye-laws to repurchase the Shares.

2. EXERCISE OF THE REPURCHASE MANDATE

Resolution no.5 set out in the notice convening the AGM will, if passed, give a general and unconditional mandate to the Directors to repurchase Shares on the Stock Exchange representing up to a maximum of 10% of the total number of Shares in issue as at the date of passing such resolution. It will be valid until the next annual general meeting of the Company unless revoked or varied before such meeting.

Accordingly, exercise in full of the Repurchase Mandate (on the basis of 6,990,651,992 Shares in issue as at the Latest Practicable Date) would result in up to 699,065,199 Shares being repurchased by the Company.

3. REASONS FOR THE REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to have a general authority from the Shareholders to enable the Company to purchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an increase of the net asset value of the Company and its assets and/or its earnings per Share and will only be made as and when the Directors believe such repurchases will benefit the Company and the Shareholders as a whole.

4. FUNDING OF REPURCHASE

In repurchasing the Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and the Bye-laws and the laws of Bermuda. Under the laws of Bermuda, repurchases may only be effected out of the capital paid up on the purchased Shares or out of funds of the Company otherwise available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purpose. Any premium payable on a purchase over the par value of the Shares to be purchased must be provided for out of funds of the Company otherwise available for dividend or distribution or out of the Company's share premium account before the Shares are repurchased. It is envisaged that the funds required for any repurchase would be derived from such sources.

In the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period, there might be a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the financial statements contained in the Company's annual report for the year ended 30 June 2020. However, the Directors will consider the financial conditions of the Company prevailing at the time whenever they consider exercising the Repurchase Mandate and do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company.

5. DISCLOSURE OF INTERESTS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the Listing Rules), have any present intention to sell to the Company or its subsidiaries any of the Shares if the Repurchase Mandate is approved at the AGM and exercised.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Listing Rules, all applicable laws of Bermuda, the memorandum of association of the Company and the Bye-laws.

The Company has not been notified by any core connected person (as defined in the Listing Rules) that he has a present intention to sell, or has undertaken not to sell, any Shares held by them to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

6. SHARE REPURCHASES MADE BY THE COMPANY

The Company did not repurchase any Shares on the Stock Exchange or otherwise in the six months preceding the Latest Practicable Date.

7. EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase in the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, based on the information available to the Company under the register of substantial shareholders maintained by the Company pursuant to Section 336 of the SFO, Mr. Pan, the Chairman of the Board and executive Director, was beneficially interested in an aggregate of 4,953,884,634 Shares, representing approximately 70.86% of the total issued Shares. As at the Latest Practicable Date, Ms. Pan Jenny Jing, the daughter of Mr. Pan, was interested in the share options granted under the share option scheme of the Company to subscribe for 1,500,000 Shares.

On the basis that no further Shares are issued or repurchased prior to the AGM and in the event that the Directors exercise in full the power to repurchase Shares pursuant to the Repurchase Mandate, the aggregate shareholding interests held by Mr. Pan would be increased to approximately 78.74% of the total issued Shares. The Directors are not aware of any consequence which may arise under the Takeovers Code as a result of any repurchase to be made under the Repurchase Mandate.

In the event that the voting rights of Mr. Pan and his associate are aggregately increased to approximately 78.75% as a result of the issue and allotment of Shares upon the full exercise of the share options under the share option scheme of the Company (assuming that no further Shares are issued or repurchased before the AGM and the Directors exercise in full the power to repurchase Shares pursuant to the Repurchase Mandate), the Directors are not aware of any consequence which may arise under the Takeovers Code as a result of any repurchase to be made under the Repurchase Mandate.

In addition, assuming that there is no issue of Shares between the Latest Practicable Date and the date of repurchase, an exercise of the Repurchase Mandate whether in whole or in part will result in less than 25% of the issued Shares, being the prescribed minimum percentage of the Shares being held by the public as required by the Stock Exchange. The Directors have no intention to exercise the Repurchase Mandate to an extent as may result in a public shareholding of less than such prescribed minimum percentage.

8. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous 12 months prior to the Latest Practicable Date were as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2020		
January	1.910	1.500
